

A woman's face is shown in a close-up, looking upwards with a concerned expression. A human skull is impaled on a long, thin spike that passes through the center of her forehead. The skull is positioned at the top of the frame, with its eye sockets and nasal cavity visible. The background is a fiery, red and orange glow, suggesting a hellish or infernal environment. The overall color palette is dominated by reds, oranges, and yellows, creating a sense of intense heat and danger.

## TRUE STORIES OF REAL EVIL

**F**or centuries man has feared one thing over all others: Satan. As evil incarnate, Satan possesses both the will and the means to inflict the most hideous torments imaginable. Dating back to the most ancient civilizations, every culture has feared and sought to protect itself from this being of supreme power and malevolence. Even today, in the 21<sup>st</sup> century, Satan has lost none of his power to terrify even the most advanced of societies.

**I**n light of the enduring horror inspired by Satan, it naturally follows that only one thing could be more frightening than the concept of Lucifer himself: that he has produced offspring, and that his spawn walk among us. *Omen 666* examines this shocking possibility.

**D**o sons and daughters of Satan exist here on Earth? The evidence is unmistakably clear. After an in depth look at the history of the Devil and the modern day Church of Satan "*Omen 666 Revealed*" exposes the frightening truth. People who have committed acts beyond imagining, who have exhibited evil in its purest form, have all had one thing in common—they have all had a major Satanic connection. "*Omen 666 Revealed*" chronicles these terrible connections, and proves the awful truth that Satan's children are here among us...
