The Psychic Files

Secret audio tapes and recently declassified video footage of extraordinary events in the KGB's psychic warfare are now exposed to the world for the first time ever!

This secret and highly sensitive footage, recently obtained from ex-KGB agents, exposed the Soviet Unions real agenda... and how their effective psychic mind control war tactics nearly brought the Free World to its knees!

Roswell: Top Secret

No other event in the 20th century has captured the imagination of mankind like the crash site located at Roswell, New Mexico.

The belief that an alien aircraft and its crew actually survived a fiery plunge to Earth seems destined to remain mired in government red tape and covert agency cover-ups. Until now...
